#### PURPOSE OF HANDBOOK:

The purpose of this handbook is to provide information to help you be successful this school year. As with any large organization of people, a system of rules, regulations, policies, programs, and services have been established to provide a positive and productive culture in our school. Both students and parents are urged to become familiar with the contents of the Student Handbook.

We believe students at Crestwood High School model common sense, cooperation, leadership, and high standards of personal behavior. While the handbook clearly outlines our expectations for you based on these beliefs, real success by students can only be achieved through a willingness to live up to these expectations. As in real life, the actions you choose to take will result in direct consequences.

We stand committed in helping all students live up to their responsibility to our school community.

We as staff members of Crestwood High School extend a warm welcome and anticipate another great school year!

# **ACADEMIC INTEGRITY POLICY**

The Crestwood faculty and administration have adopted the following **Academic Integrity Policy**, beginning in the 2011-2012 academic year. Please read it carefully. Each Crestwood student is expected to do his or her own work, including homework assignments, essays, lab work, exams, and projects. You can be sure of maintaining this academic integrity if you do the following:

- \*\*\* Cite sources from which you directly take any ideas, information, images, etc., other than your own.
- \*\*\* Cite sources from which you paraphrase anyone else's ideas in your own words and style.
- \*\*\* Refuse to share your own work or receive the work of others unless approved by the teacher.
- \*\*\* Work with others only when that collaboration has been approved by the teacher.
- \*\*\* Participate fully in collaborative efforts and projects. Failure to follow any of the above constitutes cheating or plagiarism and will not be tolerated. The range of possible consequences will include the following:
  - \*\*\* A zero for that work with no makeup credit.
  - \*\*\* Grade reduction or failure for the nine-weeks or semester.
  - \*\*\* Referral to the administration.
  - \*\*\* Parent contact and/or conference.
  - \*\*\* Suspension and/or expulsion.

## **INFORMATION, POLICIES, PROCEDURES, AND GUIDELINES**

### **ADMINISTRATIVE DISCRETION:**

Some infractions list administrative discretion as the consequence. Ohio law gives principals the authority to assign disciplinary consequences ranging from after school detentions through 10-day out-of-school suspensions. Students are afforded rights guaranteed by the United States Constitution and the Ohio Revised Code, and their rights will not knowingly be denied or abridged by this Code of Student Conduct or resulting disciplinary actions taken.

Students are subject to all provisions of the Code of Student Conduct whenever on school property or buses, during, before and after school hours, when school is in session or during vacation, and at extracurricular activities involving Crestwood students. This code shall also be inclusive for the right to exercise authority for the protection of all school staff members and their property.

Consequences for violation of this Code of Student Conduct may include: detention, emergency removal, assignment to ISR, out-of-school suspension, expulsion, and/or other forms of disciplinary action to help modify behavior or to ensure the safety, health and welfare of other students and staff, and to protect the integrity of the educational environment. Consequences are administered at the building level in accordance with administrative procedures.

### **AFTERSCHOOL ACTIVITIES AND HOURS:**

Students are permitted in the school at 7:15 am daily. All students are expected to leave the school building by 3:00 pm unless they are participating in an after-school activity. Unsupervised groups will not be allowed to use the building or school facilities.

### **ALTERNATIVE EDUCATIONAL OPTION AND CREDITS:**

Students who earn alternative credits toward graduation through credit recovery or night school, and wish to apply those credits toward graduation requirements, must have all final transcripts submitted to the guidance department no later than the last day for senior exams. Correspondence courses must be completed no later than the end of the third grading period.

### **ANNOUNCEMENTS:**

Announcements are made daily. Students are expected to be attentive during announcements.

## ANTI-HARASSMENT POLICY:

It is the policy of the Board of Education to maintain an education and work environment which is free from all forms of unlawful harassment, including sexual harassment. This commitment applies to all School District operations, programs, and activities. All students, administrators, teachers, staff, and all other school personnel share responsibility for avoiding, discouraging, and reporting any form of unlawful harassment. This policy applies to unlawful conduct occurring on school property, or at another location if such conduct occurs during an activity sponsored by the Board.

The Board will vigorously enforce its prohibition against harassment based on sex, race, color, national origin, religion, disability, or any other unlawful basis, and encourages those within the School District community as well as third parties, who feel aggrieved to seek assistance to rectify the problems. The Board will investigate all allegations of harassment and in those cases where unlawful harassment is substantiated, the Board will take immediate steps to end the harassment. Individuals who are found to have engaged in unlawful harassment will be subject to appropriate disciplinary action.

For purposes of this policy, "School District community" means students, administrators, teachers, staff, and all other school personnel, including Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

For purposes of this policy, "third parties" include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with, or seeking to do business with, the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off School District property).

## ARRIVAL/PICK-UP:

Students should be dropped off/picked up at the main entrance off the cafeteria.

## ASSEMBLIES:

Assemblies and pep rallies are held for several purposes: to teach, to entertain, to honor, to display school spirit, etc. Depending upon the purpose of the assembly, there is a specific type of behavior expected from the audience. **First and always, the members of the audience should respect the rights of the performer, speaker, or whomever might be presenting the program.** There is an obligation of courtesy that each student at Crestwood High School owes other persons in this school. It is our expectation that you respect that obligation and our belief that you are due that level of courtesy in return. You are expected to:

1. Follow assembly instructions as given over the announcements.
2. **HONOR** and **RESPECT** the dignity of the program.
3. Avoid talking, yelling, clapping, or indicating your approval or disapproval when such is not appropriate.

As an example, some programs require silence; pep rallies require audience participation. Even at pep rallies, there is a time to cheer and a time to listen.

Students not complying with our expectations will be denied attendance at assemblies and will be assigned to in-school monitoring for the duration of future assemblies.

## ATTENDANCE POLICY:

The educational program offered by this District is predicated upon the presence of the student and requires continuity of instruction and classroom participation. Attendance shall be required of all students enrolled in the schools during the days and hours that the school is in session or during the attendance sessions to which s/he has been assigned.

In accordance with statute, the Superintendent shall require, from the parent of each student of compulsory school age or from an adult student who has been absent from school or from class for any reason, a (written) statement of the cause for such absence. The Board of Education reserves the right to verify such statements and to investigate the cause of each single absence or prolonged absence.

Repeated infractions of Board policy on attendance may result in suspension or expulsion.

The Board considers the following factors to be reasonable excuses for time missed at school:

- A. personal illness (a written physician's statement verifying the illness may be required)
- B. illness in the family necessitating the presence of the child
- C. quarantine of the home

- D. death in the family
- E. necessary work at home due to absence or incapacity of parent(s)/guardian(s)
- F. observation or celebration of a bona fide religious holiday
- G. out-of-state travel (up to a maximum of four (4) days per school year) to participate in a District-approved enrichment or extracurricular activity

Any classroom assignment missed due to the absence shall be completed by the student.

- H. such good cause as may be acceptable to the Superintendent or designee

Attendance need not always be within the school facilities, but students will be considered to be in attendance if present at any place where school is in session by authority of the BOE.

The Board shall consider each student assigned to a program of other guided learning experiences to be in regular attendance for the program provided that s/he reports to such staff member s/he is assigned for guidance at the place in which s/he is conducting study, and regularly demonstrates progress toward the objectives of the course of study.

The Superintendent may excuse a student over fourteen (14) years of age from attendance at school for a future limited period for the purpose of performing essential work directly or exclusively for his/her parents or guardians. Such excuse should not exceed five (5) days and may at the discretion of the Superintendent be renewed for five (5) additional days. At no time, however, shall such excuse cause a student to be absent from school for a period of more than ten (10) consecutive days.

At the discretion of the Superintendent or his/her designee, a student may be excused for a longer period of time than ten (10). (The Superintendent or designee may request a certificate of a physician attesting to the physical condition of a student, parent, or guardian.)

A student will be considered habitually truant if the student is absent without a legitimate excuse for five (5) or more consecutive school days, for seven (7) or more school days in one (1) month, or twelve (12) or more school days in one (1) school year.

A student will be considered chronically truant if the student is absent without a legitimate excuse for seven (7) or more consecutive school days, for ten (10) or more school days in one (1) month, or for Fifteen (15) or more school days in one (1) year.

Legitimate excuses for the absence of a student who is otherwise habitually or chronically truant include but are not limited to:

- A. the student was enrolled in another school district;
- B. the student was excused from attendance in accordance with R.C 3321.04; or
- C. the student has received an age and schooling certificate.

If a student is habitually truant and the student's parent has failed to cause the student's attendance, the Board authorizes the Superintendent to file a complaint with the Judge of the Juvenile Court and/or to take any other appropriate intervention actions as set forth in this Board's policy.

If a student is chronically truant and the student's parent has failed to cause the student's attendance, the Board authorizes the Superintendent to file a complaint with the Judge of the Juvenile Court.

In order to address the attendance practices of a student who is habitually truant, the Board authorizes the Superintendent to take any of the following intervention actions:

- A. assign the student to a truancy intervention program
- B. provide counseling to the student
- C. request or require the student's parent to attend a parental involvement program
- D. request or require a parent to attend a truancy prevention mediation program
- E. notify the Registrar of Motor Vehicles of the student's absences
- F. take appropriate legal action
- G. possible assignment to an alternative school (Note: If the District has established an alternative school, it must appear as an alternative intervention strategy.)

The Superintendent is authorized to establish an educational program for parents of truant students which is designed to encourage parents to ensure that their children attend school regularly. Any parent who does not complete the program is to be reported to law enforcement authorities for parental education neglect, a fourth class misdemeanor if found guilty.

The Superintendent shall develop administrative guidelines that:

- A. ensure proper procedures so the student and his/her parents are provided the opportunity to challenge the attendance record prior to notification and that such notification complies with R.C. 3321.13 (B)(2);
- B. ensure a school session which is in conformity with the requirements of the rules of the State Board;
- C. govern the keeping of attendance records in accordance with the rules of the State Board;
- D. identify the habitual truant, investigate the causes of his/her behavior, and consider modification of his/her educational program to meet particular needs and interests;
- E. refer for evaluation any student who, due to a specifically identifiable physical or mental impairment, exceeds or may exceed the District's limit on excused absence to determine eligibility either under the Individuals with Disabilities Education Act (IDEA) or Section 504 of the Rehabilitation Act of 1973, or other appropriate accommodation.

### **MAKE-UP WORK:**

**When a student returns from an absence, it is his/her responsibility to make arrangements for completing make-up work. Generally, students will be allowed one day make-up time for each day absent, but exceptions may be made with the approval of the teacher. If a student will be absent for a prolonged period of time, assignments may be obtained by calling the ATTENDANCE office at (330) 274-2214. A day's notice is necessary in order to give the ATTENDANCE office time to collect the assignments.**

### **TARDINESS:**

Students will be subject to disciplinary action for tardies. Students will receive a detention at Tardy #3, 1 day of ISR at Tardy #6, 3 days of ISR at Tardy #9, and 1 day of OSS at Tardy #12. Any further tardies will result in 2-10 Days of OSS.

Unexcused Tardiness will result in disciplinary action and the potential of forfeiture of any work missed, beginning with the first incident. Examples of unexcused tardiness include, but are not limited to, over sleeping, unexcused personal reasons, and any tardiness to class without a valid excuse (as determined by the Attendance Office) and a pass.

### **PLANNED ABSENCE:**

Absences for a family trip or vacation, extracurricular activities, non-school sponsored activities, college visitations, etc., is to be considered a Planned Absence. A planned absence notice is to be completed and submitted to the Attendance Office 5 days prior to the scheduled absence from school for consideration of approval. **These absences will count within the 10-day limit on excused absences.** Care should be given when planning a vacation during the school year because a student's grades may be adversely affected.

### **The following criteria applies to all requests for Planned Absences:**

1. Planned absences are not to be requested during those days established for semester or final examinations.
2. It will be the student's responsibility to make arrangements for makeup work and/or tests missed upon return to school. No more than one day's makeup time shall be permitted for each day of absence. Teachers will not be expected to tutor individual pupils.
3. All work and/or tests are expected to be made up in the prescribed period of time. Failure to do so will result in zero (0) credit to be computed in the pupil's current grading period average.
4. Absence in excess of ten consecutive school days may require a report be submitted to the Truancy Officer.

### **ATTENDANCE POLICY GUIDELINES:**

- A. Excessive absence from school shall be a factor when assessing a student's quarterly, semester, or yearly performance for grading purposes or open enrollment opportunities.
  1. Students are permitted no more than ten (10) absences in a school year. Parent notes will not be accepted for absences beyond the 10-day limit. All absences beyond the 10-day limit will be unexcused unless they are accompanied by a physician's note or a court document. Students do not earn credit for work collected during an unexcused absence.

B. Maximum days a student is allowed to be absent from class:

1. 10 days

C. Absences: What constitutes an absence?

1. Absences include the VALID reasons cited earlier under Rationale Section D.
2. Students must be in class more than half a period or they will be considered absent for the entire period.
3. Planned absence days are considered absent days when determining the total number of days absent from class for any period of time.
4. Late arrivals (to school) and early dismissals: Late arrivals and early dismissals are considered absent days when determining the total number of days absent from class (Students will not be given permission to leave during the school day without a parent's or guardian's consent).
5. Time spent in ISR (In-School Restriction) will not count against the student's class absence provided class work assigned is attempted/completed per direction of the classroom teacher and/or ISR monitor.
6. Days suspended out-of-school are counted as absences from school.
7. School related activities or functions are not counted as an absence from class--for example, but not limited to, calls from the office, assemblies, field trips, sporting events, contests, etc. that are scheduled during school hours.

D. Notification of Attendance Problems:

1. Parents/Guardian(s) and students will be notified of attendance problems prior to the loss of credit.
2. Means of Notification:
  - a) Attendance concerns will be noted on interim progress reports.
  - b) Days absent will be noted on nine weeks grade cards.
  - c) An Attendance Warning Form will be sent home by the teacher when one half of the allowable absences have been reached by a student. Copies are provided to Parent/Guardian, Teacher, Guidance Office, and Attendance Office.
  - d) Other informal means (e.g. phone calls to parent/guardian) may be used as the need arises.

E. Notification of loss of credit:

Once a student has accumulated the number of absences to deny him or her credit, the following procedure will be used: a letter will be sent home by certified mail regarding the student's loss of credit and right to appeal.

F. Attendance Committee Appeal

Parent/Guardian responsibility: All appeals must be presented to the Assistant Principal. A parent/guardian should be present at the hearing. The student is required to attend. Hearing notification: The parent/guardian will be notified by a member of the administration regarding the committee's decision.

**MEDICAL APPOINTMENTS:**

Appointments for medical and dental visits during the school day must follow the established procedure:

1. A parent/guardian must call or send a note to the Attendance Office prior to, or the morning of, an appointment. A student is to sign out in the Attendance Office when he/she leaves the building. A time of return will be needed in order to ensure the student's arrival back to school.
2. The student will be listed on the absence list for the time missing school.
3. When the student returns to school, the student must report to the Attendance Office to notify the secretary of the return.
4. Emergency appointments will require a parent/guardian call prior to the student leaving (students cannot call parent/guardian themselves to schedule a medical absence); verification from the doctor's office may be requested by the Attendance Office upon return to school.
5. Failure to follow the procedure will result in the absence from school being marked as unexcused.

## LEAVING THE BUILDING:

Crestwood High School has a closed campus policy. No student may leave the building at any time for any reason without permission. This includes, but is not limited to going to your car, the Middle School property, athletic areas, or any private property that borders school property. Furthermore, after their arrival at school, students are not permitted to leave and will be considered truant and subject to disciplinary consequences if they leave.

## SCHOOL SPONSORED TRIPS:

Field trips are academic activities that are held off school grounds. There are also other trips that are part of the school's co-curricular and extra-curricular programs. No student may participate in any school-sponsored trip without parental/guardian consent and a medical emergency form on file. **Participation in a field trip is a privilege and may be denied by the administration due to academic, behavior, and/or attendance concerns.**

## AUDIO/VIDEO DEVICES:

CD, tape, video, players/recorders, MP3 players along with any attachments, i.e. head sets and ear phones, are prohibited from arrival at school to 2:39 p.m., except in the cafeteria for assigned lunch periods, unless directed by faculty for curricular purposes.

Any student who requests an alternate bus stop must complete an Alternate Bus Stop Form and submit this to the Transportation Office or school of attendance for processing (one form per child). It will take three (3) business days to process this request after it is received in the Transportation Office. Once processed, the student will be transported from their legal residence and/or Alternate Bus Stop, to the school of attendance and back. Students may be required to walk to a collection point. **Each student may have only ONE Alternate Bus Stop Form request on file.** If the student's alternate bus stop needs to change for any reason, a new form must be filled out, processed, and will automatically replace the previous form. **All Alternate Bus Stop forms are only good for the present school year.**

If a student needs to end the alternative bus stop location, he/she must submit an Ending Alternate Stop Form to the Transportation Office. **Once the form is processed the student is automatically added back to the Bus Route to/from their legal residence unless another Alternate Bus Stop form is turned in for processing.** All forms are available at the schools, Transportation Department, or on the school's website at [www.crestwood.sparcc.org](http://www.crestwood.sparcc.org).

**Any Junior or Senior who plans to take the bus must submit a Jr./Sr. Bus Registration Transportation Form to the Transportation Department for approval!**

### **CAFETERIA PROCEDURES:**

Students should go directly to the end of the line. Saving a place in line for a friend is not allowed. Courtesy and good manners are expected in the cafeteria. Leave your table clean and return trays to the service window when you have finished eating. Throwing food is not permitted.

### **CARD PLAYING:**

Card playing, unless administratively authorized, is prohibited.

### **CARE OF SCHOOL PROPERTY:**

Be aware of your school and take pride in it. Try to keep it clean and orderly. If a student writes on a desk or locker, or damages any other property, the student must reimburse the school for the cost of repair or replacement and also be subject to school discipline.

### **CELLULAR/DIGITAL PHONES:**

Cellular/Digital phones may **NOT** be in the classroom without teacher permission or may **NOT** be used in any way to disrupt the educational process.

### **CHEMICAL ABUSE:**

The following guidelines will implement the Crestwood Board of Education's Chemical Involvement policy. Using, possessing, purchasing, selling, intending to buy or sell, transmitting having the odor of alcoholic beverages and/or drugs, possessing paraphernalia, or simulating any of the above during a school day or at a school-sponsored activity regardless of the time of day is a violation. Students found in violation of the above will be subject to disciplinary action as described within the Automatic Consequences, Section II, up to and/or including expulsion and referral for prosecution.

### **CLINIC:**

The purpose of the clinic is to provide first aid for minor injuries and sudden illnesses. The clinic is supplied with cots, bandages, splints and other medical supplies. **You must have a pass from a teacher/administrator, or secretary to go to the clinic.** The clinic does not stock any form of medication. Students who leave for appointments or because of illness must receive approval prior to leaving the building from an Administrative Office or the Attendance Office.

### **COLLEGE/CAREER VISITATION:**

Students may be excused from school for up to two days (except during the last 2 weeks of school and during special state testing times) to visit and evaluate colleges, post-secondary technical schools, or career-related positions.

To be considered an excused absence a parent/guardian must accompany the student and the visitation form (obtained in the Guidance Office) must be completed and submitted to Attendance Office at least 1 day before the visitation. In addition, the student must have the bottom portion of the permission form signed by an official of the college, technical school, or career site visited and must return it to the Attendance Office the following day. Any deviation from this procedure shall render the absence as an unexcused absence and/or truancy.

### **COLLEGE INFORMATION AND TEST DATES FOR 2011-2012:**

Nearly every college or university requires the American College Test, (A.C.T.) or Scholastic Aptitude Test (S.A.T.) for admission or placement purposes. Each student with college potential is encouraged to take the A.C.T., S.A.T., or both, second semester of their junior year, or early in the fall of their senior year. These tests are offered at least five times a year and may be retaken. Please see the Guidance Department for specific registration and test dates.

## College Board Advanced Placement Examination:

Students planning to take the College Board of Admissions Testing Program and the American College Test should consider the following:

1. The Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT) is offered in the Fall and is designed for college-bound juniors who wish to enter the National Merit Scholarship competition and for sophomores completing high school in three years rather than four years. The results of the test are used to determine National Merit and National Achievement Semi-Finalists and Commended students and is an excellent forecast how students might perform on the SAT I. College bound sophomores are also encouraged to take the test to receive feedback and early diagnostic information about their college academic skills which need work to improve their performance in school, in college and on the SAT.
2. Many of Ohio's state universities require the American College Test (ACT) and the test is accepted at all colleges and universities in Ohio, as well as most out-of-state universities. We recommend the ACT be taken in the early spring of the junior year. The ACT is **required** for students interested in competing in the Ohio Academic Scholarship Program. To be eligible for scholarship consideration, the test must be taken by December of a student's senior year.
3. We recommend the Scholastic Aptitude Test (SAT I) of the College Board Admissions Testing Program, be taken in the early spring of the junior year. This test is required or accepted by colleges and universities throughout the country and all Ohio state universities.
4. Scholastic Achievement Tests (SAT II's) are another test component part of the College Board Admissions Testing Program. While most colleges require the ACT or SAT, only selective to highly selective colleges require SAT II's. Achievement tests (SAT II's) are given in a number of specific subjects and are generally taken in the spring of the junior year and/or in the fall of the senior year. College handbooks and college catalogs will indicate if achievement tests are required or recommended. It is advisable to take an achievement test after one completes the highest level of study in a specific subject. A junior AP US History student wishing to take an American History SAT II achievement test should take the test at the end of the junior year rather than waiting until the senior year.
5. Advanced Placement tests (AP tests) are part of the College Board Admissions Testing Program. These tests are taken in May by advanced students wishing to earn college credits.

Fees are charged by the testing agencies for all tests. Fee waivers are available for eligible students. Obtain information and registration forms for all of these tests in the Guidance Office, or register on-line: For ACT- [www.act.org](http://www.act.org). For SAT - [www.collegeboard.com](http://www.collegeboard.com).

## **CREDIT FLEXIBILITY:**

Credit Flexibility is intended to motivate & increase student learning by allowing:

- Access to more learning resources, especially real world experiences
- Customization around individual student needs
- Use of multiple measures of learning, especially those where students demonstrate what they know and can do, apply the learning, or document performance

Students may earn credits by:

- Completing coursework through traditional seat time
- Testing out of/demonstrating mastery of course content; or
- Pursuing 1 or more "educational options" (e.g., distance learning, educational travel, independent study, an internship, music, arts, afterschool/tutorial program, community service or other engagement projects and sports).

## **DETENTIONS:**

Students who do not observe the rules and regulations of the school and the classroom may be assigned detentions. Students will be assigned detentions for the purpose of preventing an undesirable act from recurring. Teacher detentions may be issued at the discretion of the individual classroom teacher. Administrative detentions may be served from 2:45 p.m. to 3:45 p.m. daily.

## DIRECTORY INFORMATION:

Student directory information (names, addresses, telephone numbers, grade level, etc.) which is not in violation of the Family Educational Rights and Privacy Act may be released to appropriate individuals or organizations without the direct written consent of students (18 years or older) or parents. Such information is usually released in publications such as programs, yearbooks and honor roll recognition lists. Students and parents who do not wish to have their directory information released to recruiters must submit that request in writing to the guidance department no later than September 15, 2011. Parents and students have a right to inspect and review their educational records. Parents may request in writing amendments to the records if there is reason to believe the record is inaccurate, misleading, or otherwise in violation of the student's rights. See Board Policy 8330.

## DISTRIBUTION OF MATERIAL:

The Principal must be notified if a student wishes to distribute or post written material on school grounds. After review and approval of the material, the Principal will designate time and location of distribution or posting. Material which is libelous, obscene, offensive, or which may interfere with the educational process is prohibited.

## DRESS GUIDELINES:

Crestwood High School encourages students to dress and groom themselves in an appropriate manner. Clothing worn to school should be comfortable, clean, and conducive to a business-like atmosphere. Any dress or appearance which clearly constitutes a threat to the health and safety of students or disrupts the educational process is prohibited. Immodest or extreme dress/ appearance of any nature which causes a disruption to the educational process will not be permitted.

The following guidelines will be in effect:

1. Shoes or sandals must be worn at all times.
2. Reasonable length shorts are permitted.
3. Sunglasses are not permitted to be worn inside the school.
4. Clothing with lettering or illustrations which are literally, or by implication, religiously, racially, ethnically, or sexually insulting or disrespectful, and/or obscene is not permitted.
5. Beer, alcohol, or drug related clothing and jewelry are not permitted.
6. Hats or other head coverings, or coats (outerwear) are not permitted.
7. Pocket chains are not permitted.
8. "Droops" are not permitted.
9. Undergarments are to be worn but not visible.

**Students who do not comply with the above guidelines may be sent home to change clothing and/or be disciplined.**

## DRIVING/PARKING POLICY:

Driving is a privilege extended to juniors and seniors only. Cars must be registered in the Attendance Office. Students must show their driver's license and proof of insurance. Parking at Crestwood for the 2011-2012 school year will be **\$30.00**, payable upon registration. Crestwood High School students are to park in the designated student parking lots on the front side of the building or the back parking lot on the west side of the building by the Stadium. Only registered cars are permitted during the school day.

**Freshmen are not permitted to drive to Crestwood High School. Sophomores will be approved on an individual basis and as parking spaces are available. Students who do not have parking permits displayed or who are not parked in student designated parking areas, may be subject to having their driving privileges suspended, having their car towed or receiving disciplinary consequences.** All students must obey traffic laws. A speed limit of 10 M.P.H. is to be observed on school property. Students are **NOT PERMITTED** to park in the faculty lot. All vehicles parked on school property are subject to the rules/regulations of CHS and may be searched at any time. **See Appendix A on Search and Seizure.**

Temporary parking permits will be issued at the discretion of the CHS administration. These permits will be issued sparingly and only when special circumstances are present. Requests for a temporary permit must be made to a CHS administrator.

**Driving privileges may be suspended or revoked if the student is habitually tardy to school. No refunds will be given if driving privileges are revoked or suspended as a result of disciplinary**

**action. Parking permits may be suspended or withdrawn, without reimbursement, should there be a violation of any school rule.**

### **Student Driving Privilege Expectations:**

1. Parking permits are non-transferable. Only a student who is registered and **places the authorized cling sticker permit on the bottom left section of the driver's side of the windshield** will be permitted to park in the designated student lots. All others will be told to leave the grounds and return without the car. Any missed school time will be considered as unexcused. Student cars are not to be parked in any other area of the campus or grounds—including grassy areas. Students who park in the faculty lot may have their parking privileges suspended. Students are not to park in areas denoted by white or yellow lines for buses/district staff.
2. The speed limit on school district property is 10 m.p.h. Drive slowly and carefully. Speeding, noisy, and/or reckless operation of a vehicle may result in disciplinary and/or police action.
3. Drivers are to park properly, one space per vehicle, between the designated lines. Drivers are not to park in handicapped spaces or in fire lanes.
4. Students should park, lock their vehicles and go directly into the building—loitering in parking lots is prohibited.
5. Students are not permitted to smoke or engage in any disruptive behavior while on school grounds.
6. During the school day, a student is not permitted to return to his/her car unless he/she has a pass from the office.
7. It is the student's responsibility to arrive to school on time. The attendance office will not excuse students who arrive late due to a flat tire, engine trouble, or other transportation related excuses.
8. Excessive tardiness/absence to school may result in loss of driving privileges.
9. Give buses the right-of-way. Use extreme caution around school buses.
10. Follow the proper traffic pattern. Students who cut through the Middle School campus may have their parking privileges suspended. In the morning, students are to enter only by the drive that begins at Main Street (Route 44). In the afternoon, after all buses have departed, students may leave by the drive that enters Main Street (Route 44). Students must exit in single file order. Crossing the yellow line or doubling up is not permitted.
11. Neither Crestwood High School nor Crestwood Local School District will be responsible for any damage or loss incurred while student vehicles are parked in the student parking lots. Lock your vehicle.
12. Failure to abide by Attendance Policies, as defined & expressed in the Student Code of Conduct, may result in loss of the parking permit.

### **DUE PROCESS RIGHTS AND DISCIPLINARY PROCEDURES:**

Due process rights and disciplinary procedures are governed by section 3313.66 of the Ohio Revised Code. See Board Policy 5611. In satisfying a person's due process rights, a student can expect to receive written notice of intent to suspend or expel and the reasons for such action. The student will be given the opportunity to appear at an informal hearing to explain his/her actions or challenge the reasons for the suspension. Within twenty-four (24) hours after the time of a student's suspension, written notice of suspension will be sent to the parent(s)/guardian(s). The notice will specify the duration of the suspension and the reason(s) for the suspension as well as the right and procedure to appeal.

Prior to expulsion, the Superintendent will give the student and his/her parent(s)/guardian(s) written notice and provide an opportunity to appear to explain the student's actions or challenge the reason(s). The notice will include reason(s) for the possible expulsion and the right and procedure to appeal.

### **EARLY DISMISSALS:**

No student shall leave Crestwood High School property or any other student campus unless he/she has received permission to do so and has properly signed out in the Attendance Office. Juniors cannot leave for early dismissal.

All early dismissals shall comply with the following guidelines:

1. Students will not be permitted to leave without a written note from their parent/guardian explaining the reason for the request and providing a telephone number where they can be reached should questions arise. All requests must be given to the Attendance Secretary by 7:40 a.m. of the day of the desired early dismissal. Students granted permission to leave must sign out in the Attendance Office before leaving and sign in upon returning (if they return on the same day).

2. Medical or dental appointments should not be made during school hours unless it is an emergency. Appropriate telephone numbers and names (i.e. doctor/dentist) should be included on the note. Attendance office personnel will confirm appointments for medical or dental visits. Falsification of information regarding early dismissals is grounds for disciplinary action.
3. Students leaving early due to illness may not be taken home by other students. Students who become ill at school must report to the Attendance Office to speak with school officials and to call home. Students who contact parents using personal communication devices will be subject to disciplinary action (rule 1).

Students who do not follow the above procedures will be considered truant and will be responsible for the consequences.

### **EARLY RELEASE STUDENTS:**

Seniors whose class schedule ends prior to the conclusion of eighth period and who have permission to leave the campus are expected to leave the building within five minutes of their last class. Students having early release are not permitted to return to the building until 2:40 p.m. They are also not permitted to ride the Crestwood Local School bus home at the end of the day. Failure to follow this practice may result in the withdrawal of the privilege of leaving school early and placement in supervised study hall.

### **EDUCATIONAL EMANCIPATION:**

Students who turn 18 years old before graduation and wish to be considered emancipated must meet the district guidelines for adult, self-supporting students attending school on a tuition-free basis (see Board of Education bylaws and policies). Students interested in becoming emancipated should direct questions to the assistant principal.

### **EIGHTEEN-YEAR-OLD STUDENTS:**

Students who are 18 years or older are expected to follow the same attendance rules and regulations as other students. Because of its desire to serve the educational needs of all students, Crestwood High School regularly admits students no longer of compulsory age (over eighteen) who desire to re-enroll in order to complete their education.

Crestwood High School will accept such students only if those students show serious educational intent. Serious educational intent is defined as: **regularly attending all classes, demonstrating reasonable school behavior, and showing a willingness to conscientiously complete the assignments and requirements of each course.** A required enrollment meeting that includes the student, appropriate school counselor and principal to develop the student's plan of study will be held prior to the student officially being enrolled. Should a student past compulsory school age (over eighteen) fail to show serious educational intent, the student may be withdrawn from school. In order for the withdrawal to be accomplished, administration must give the student adequate warning that expectations are not being met and withdrawal is a possibility. If such notice is given and the student still does not show serious educational intent, the assistant principal may recommend to the principal that the student be withdrawn. Should the student not agree with the decision, an appeal could be made to the high school principal.

Form for Self-Support - Students over eighteen years of age are still considered to be under the supervision of their parents unless they can verify that they are regularly employed and that they pay rent/utilities.

Students requesting independent status should see the assistant principal. A student has five (5) school days to submit the completed form.

### **ELECTRONIC DEVICES:**

Pagers, beepers, cellular phones and other potentially disruptive electronic devices may not disrupt the classroom or school setting. Additionally, there shall be no expectation of privacy with regard to electronic devices.

### **ELIGIBILITY – ATHLETICS/EXTRA-CURRICULARS:**

To be eligible (in grades 9-12) a student must be currently enrolled and must have been enrolled in school in the immediately preceding grading period. During the preceding grading period the student must have received a minimum of a 1.5 GPA and passed a minimum of five (5) one credit courses (or the equivalent). This rule applies to any extracurricular activity at Crestwood High School, although individual advisors may have more strict requirements.

In addition to grade/credit requirements, students who participate in extra-curricular activities are also required to abide by specific non-use policies that prohibit the use of drugs, alcohol and tobacco

(see code of conduct). Students disciplined for violating substance policies as stated in the code of conduct (rules 12-14) may be eliminated from participation in extra-curricular activities.

Students who are participating in or attending any extra-curricular activities/athletics must be in class for at least 4.0 hours on the day of the activity. Students who are absent from school on Friday are still permitted to attend/participate in Saturday events.

### **EMERGENCY MEDICAL FORMS:**

It is vitally important that EMA forms are returned at the beginning of the school year. In an emergency situation, students cannot be transported or treated at a hospital without this form. The information on the form is often the only source of correct phone numbers for a student. When a student is ill, he/she cannot be released to go home unless a parent or emergency number can be contacted. All students must have an Emergency Medical Authorization form on file in the attendance office no later than September 15; those who do not may be prohibited from attending school.

### **EMERGENCY REMOVAL OF STUDENTS:**

If a student's presence poses a continuous danger to persons or property, or an ongoing threat of disrupting the academic process, that student may be removed from the premises under emergency removal. In such circumstances the student may not participate in any school function.

### **EMERGENCY SCHOOL CLOSING:**

In the event of school closing due to snow or other emergencies, students will find WNIR 100.1 FM and News Channel 5, FOX 8 WJW, Channel 3, 23, 19, 43 for accurate information. You may be notified by the Parent Alert-Now Broadcast System, as well.

### **EXPULSION:**

Behavior of a student can be so serious as to justify total removal from the educational program for a prolonged period of time. Expulsion is a removal for more than ten (10) days, but not more than eighty (80) days duration (except when applicable per Ohio Revised Code). Expulsion can extend beyond the current semester and school year.

### **FEES:**

Students will be notified of fees for classes during the first month of school. **Year long courses and first semester fees are due now and must be paid before October 28th, 2011. Second semester fees are due by March 23, 2012.** Fees for classes are listed on students' schedules. These fees can be paid in the Dean of Students Office. Payment plans are available. **When fees are not paid, students may not participate in graduation ceremonies, report cards will be withheld & transcripts will not be forwarded.**

### **FERPA AND DIRECTORY INFORMATION:**

**Ex. 1** The school district follows the guidelines of the Family Educational Rights and Privacy Act (FERPA) regarding all student records. Parents who do not want directory information for their child released to colleges, universities and military recruiters should contact the guidance office.

**Ex. 2** The exception to disclosure of student information without consent is the release of "directory information." The district will make the information listed below as directory information available upon a legitimate request unless a parent/guardian or student 18 years or older notifies the school in writing by September 15 of each school year that (s)he will not permit distribution of the following information.

Under Ohio law, directory information includes the following:

- student name
- address
- telephone listing
- date and place of birth
- major field of study
- participation in officially recognized activities and sports
- weight and height of members of athletic teams
- dates of attendance
- date of graduation
- awards received

## **FINAL EXAMS:**

Final examinations are to be given in all courses at the end of the first and second semesters. All students are to take exams regardless of fees owed or books returned. The dates and times of examinations will be published by the administration. The philosophy of final examinations dictates that they are to be given only at the time they are scheduled.

### **No semester or final exams may be taken early.**

Excuses to be absent from final examinations must be obtained from the assistant principal at least one week (five school days) prior to the examination. Such excuses are strongly discouraged but if granted, examinations will be taken after the scheduled final examination. If a student fails to report for a final examination, the teacher will give that student a zero for the exam. Seniors who need a passing grade on a final exam to achieve a passing grade in the course, are required to take a final exam.

## **FIRE, TORNADO, LOCKDOWN, & EVACUATION DRILLS:**

Fire drills, tornado drills, lockdown drills, and evacuation drills will be held periodically. Information regarding the proper procedures are available in each classroom and educational area of the building. These drills are an important process that requires all of our attention. In the past, an area of congestion has developed outside the exit doors upon leaving the building. This congestion can be avoided if students continue to move toward their "rendezvous locations" with their supervising staff member, so that a back-up does not occur at any exit or at any stairwell. If you share a class with a permanently or temporarily disabled student, be considerate and assist him/her in exiting the classroom and the building. If these students are on the second floor, they will need to use the inside railing of the stairs to assist them. It would be helpful for all others to stay close to the walls in the halls to leave the center for handicapped students thus avoiding a "crowd-pushing" problem for all toward the stairs and exits.

**Everyone is expected to follow directions, including, if needed, exiting the building.**

## **GPA AND CALCULATION OF CLASS RANK:**

Cumulative grade point average is computed when courses are completed for credit. This usually occurs at the semester break and at the end of each school year. All Advanced Placement course grades are weighted (see course selection guide). Class rankings are adjusted when cumulative GPAs are computed. When determining senior class rank and valedictorian honors for recognition and commencement purposes, senior cumulative GPAs are computed at the end of the first semester of the senior year and weighted accordingly. These rankings may change when actual grades are reported for transcripts.

## **GRADE CLASSIFICATION:**

Students are eligible for various student privileges based on the number of credits earned rather than on age or the number of years spent in high school.

Students are classified as follows:

Sophomore 4.25 credits earned

Junior 9.25 credits earned

Senior 17 credits earned

## **GRADING CRITERIA:**

At the beginning of the year, students will be given grading criteria by their individual classroom teachers. Some of these criteria might include homework, participation grades, projects, tests and/or quizzes.

## **GRADING PROCEDURES:**

### **Grading System**

A - 90-100%	Excellent	4.0 grade points
B - 80-89%	Very Good	3.0 grade points
C - 70-79%	Average	2.0 grade points
D - 60-69%	Below Average	1.0 grade points
F - 59 or below	Failing	0 grade points
W - Withdrawn	WF - Withdraw Failing	0 grade points

Plus and minus differentiations are not recorded on permanent records, nor are they counted in determining a final grade.

Grades are averaged every nine weeks for the purposes of determining eligibility and to inform students and parents of class performance. The basis for calculating the final grade of the semester is:

**First nine weeks = 40%**

**Second nine weeks = 40%**

**Semester exam = 20%**

- Credit will only be awarded when a student has successfully completed a course.
- Regardless of the percentage grade at the end of a course, the following also apply:
- In a semester course, students must earn a passing grade in at least 1 quarter in order to earn credit for that course.
- In a full year course, students must pass at least 1 quarter in the 2nd Semester in order to earn credit for that course.
- Students who exceed the number of allowable absences in a course may not earn credit for their makeup work unless their absences are excused by physician's note or legal document. **See District Attendance Policy**

## **GRADUATION REQUIREMENTS:**

To qualify for graduation from Crestwood High School, students must meet the following minimum requirements: Credits earned for any course listed in the course description section of this guide may be counted toward graduation. Credits earned at Maplewood Career Center will be counted toward the credits needed for graduation.

## **GUIDANCE AND COUNSELING PROGRAM FOR 2011-2012:**

### **School Counselors:**

**Counselor (A-L):** Mrs. Diane Caslin

**Counselor (M-Z):** Mrs. Tracy Kuntz

The School Counseling Program at Crestwood High School seeks to augment the efforts of parents, teachers, and administrators by providing students with appropriate help relative to their personal-social development, their educational development and their career development.

The School Counseling Program can best be explained by two terms:

**Guidance and Counseling:** GUIDANCE refers to the distribution of pertinent information regarding a student's educational, personal-social and career development. COUNSELING describes a close working relationship that develops between a highly skilled school counselor and a student or group of students where personal development issues are explored. Also included at all levels are parents, teachers, school administrators and appropriate community agencies. A unified approach is stressed in handling important student-related concerns. Many of your questions and needs are of the quick informational type that any of the School Counselors or Guidance Secretaries can help you with, without the necessity of an appointment. However, to speak with a School Counselor about a concern or need, simply come to the Guidance Office and make an appointment with the Guidance Secretary for one of your free periods. If you do not have a study hall, the Guidance Secretary will help you determine a class time that would be least disruptive to your current academic progress. The Guidance Secretary will issue you a guidance pass to give to your study hall teacher or classroom teacher. If you have an emergency, inform the Guidance Secretary and she will arrange for you to see your school counselor or another school counselor immediately. Students should see their assigned counselor when formulating their academic schedule, however, students should feel free to request a meeting with any school counselor regarding their personal concerns. You will also find in our Guidance Department university catalogs, numerous school directories, pamphlets/brochures on personal/social issues, a computer assisted career and educational program and people to help you find what you need. The Guidance Department maintains a current website that includes a monthly newsletter containing useful information on college admissions and scholarships. The Guidance Department purchases for our students and families a computer program that enables our students to conduct career searches, college/technical training school searches as well as scholarship searches. Visit this most useful on-line career/college information site at: <http://ocis.ode.state.oh.us>  
Login: **crestwoodhs** & password: **ohicis03**

### **HALL TRAFFIC:**

**Students are not permitted in the halls during class time without an official hall pass. This is considered loitering.** Students violating this policy will be disciplined. This is to keep noise to a minimum and to create a positive environment for classroom instruction. Faculty members assist in supervising our halls, therefore, are authorized to inquire student destinations.

### **HARASSMENT:**

Conduct constituting harassment may take different forms, including but not limited to the following:

#### **Sexual Harassment**

##### **A. Verbal:**

Some forms of sexual harassment of a student by another student may be considered a form of child abuse which would require that the student abuser be reported to proper authorities in compliance with State law.

## **HAZING:**

The Board of Education believes that hazing activities of any type are inconsistent with the educational process and prohibits all such activities at any time in school facilities, on school property, and at any school sponsored events. Hazing shall be defined for purposes of this policy as performing any act or coercing another, including the victim, to perform any act of initiation into any class, team, or organization that causes or creates a substantial risk of causing mental or physical harm. Permission, consent, or assumption of risk by an individual subjected to hazing shall not lessen the prohibitions contained in this policy. Administrators, faculty members, and other employees of the Crestwood Local School District shall be alert particularly to possible situations, circumstances, or events which might include hazing. If hazing or planned hazing is discovered, the students involved shall be informed by the discoverer of the prohibitions contained in this policy and shall be ordered to end all hazing activities or planned activities immediately. All hazing incidents shall be reported immediately to the Superintendent. Students, administrators, faculty members, and other employees who fail to abide by this policy may be subject to disciplinary action and may be held personally liable for civil and criminal penalties in accordance with law.

Students who earn a 3.5 or higher for each of the first three nine week grading periods will be recognized at the annual Crestwood Scholar Awards Program in late May.

## **IDENTIFICATION CARDS (ID CARDS):**

Each student will be issued an initial photo ID card free of charge, representing their status as a CHS student. Failure to present his/her ID card upon request by staff will be considered insubordination. Students must replace missing/lost cards immediately and at their own expense.

## **ILLNESS WHILE IN SCHOOL:**

If a student becomes ill during the school day and cannot attend classes, we will use the phone number provided on the emergency medical form (EMF) provided from home. We will not permit a child to go home unless a contact has been made with a parent/guardian.

**No student is to go home without first talking with the school nurse and/or the attendance office. Failure to do so may result in an unauthorized absence.** EMF's are essential when sending home a student who has become ill during school hours, for field trips and emergencies. Please return EMF's at the beginning of the school year.

### **IMMUNIZATION:**

Each student should have the immunizations required by law or have an authorized waiver. If a student does not have the necessary shots or waivers, the Principal will remove the student or require compliance with a set deadline. This is for the safety of all students and in accordance with State law. Any questions about immunizations or waivers should be directed to the Nurse's Office.

### **INCOMPLETE WORK:**

It is the responsibility of the student to be sure that all assigned work is completed on time. If for reasons of extended absences (illness, etc.) the student receives an F for incomplete work, it is the student's responsibility to arrange make up work with the teacher. Failing grades that are not made up within the number of days absent (not to exceed one week without teacher or administrative approval) will remain an F on student transcripts.

### **INDIVIDUALS WITH DISABILITIES:**

The Americans with Disabilities Act (A.D.A.) and Section 504 of the Rehabilitation Act provide that no individual will be discriminated against on the basis of a disability. This protection applies not just to the student, but all individuals who have access to the District's programs and facilities. The Crestwood Local School District provides a variety of Special Education programs and services for students identified as having a disability defined by the Individuals with Disabilities Education Act (IDEA). A student can access Special Education services through the proper evaluation and placement procedure. It is the policy of Crestwood Local School District that ongoing efforts will be made to identify, locate, and evaluate students below twenty two years of age, who reside within the district and have a confirmed or suspected disability in accordance with all Federal regulations and State standards.

Parent involvement in this procedure is required. For information regarding services, activities, programs and facilities that are accessible to and used by handicapped persons, contact Brooke Pillets, Director of Pupil Services at 330.274.2246. See Board Policy 2460.

It shall be the policy of Crestwood Local Schools that the education of children with disabilities shall occur in the least restrictive environment; special education programs and services shall be appropriate and designed to meet the unique needs of each child with a disability; to the maximum extent appropriate, children with disabilities, including children in public or private institutions or other care facilities, shall be educated with children who do not have disabilities; special classes, separate schooling, or other removal of children with disabilities from the regular educational environment, shall occur only when the nature or severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily.

More importantly, the school wants the parent to be an active participant. To inquire about the procedure or programs, a parent should contact a guidance counselor. Parents who believe their child may have a disability that substantially limits major life activities of their child should contact the principal or assistant principal.

## **INITIATING CHANGE:**

Students who wish to initiate a change in policy or procedure or to present an idea that will benefit the school should put it in writing and submit it to one of the administrators.

## **IN-SCHOOL RESTRICTION (I.S.R.):**

I.S.R. is a change of educational setting within the high school. When students serve I.S.R., they report to the Opportunity Room for the entire day. Teachers send assignments that are to be completed each day while the student serves the restriction. Work completed during the restriction will be collected for full credit provided it is completed on the day it is assigned. Students who fail to comply with I.S.R. rules will be immediately suspended Out-of-School. Students are not permitted to participate in or attend regularly scheduled classes or extra-curricular events while serving I.S.R.

## **INSURANCE FOR STUDENTS/ATHLETES:**

Insurance is available to students and student athletes through a private contractor. Forms are distributed during the first week of school. After that, they can be obtained through the Main Office. The policy is between the parent (or) guardian and the private contractor. All communication should be directed to the company.

## **INTERIM REPORTS:**

Students are issued interim reports at the mid-point of each grading period. These are provided as a communication tool between the teacher and the home. These reports are issued to the students from the Guidance Office. All students will receive interim reports in each of their classes mid-way in the grading period.

## **INTERVENTION STUDY HALL:**

Students will be assigned to an intervention study hall in place of a regular study hall if they meet any of the following criteria: F in any subject as a nine week grade, did not pass one or more parts of the OGT or practice OGT, less than a 2.0 GPA, in danger of failing a class for the year, or recommendation by teacher, IAT team, guidance counselor, or administrator. Students assigned to an intervention study hall are not permitted to serve as aides or sign up for the library during the period.

## **LEAVING BUILDING/SCHOOL GROUNDS:**

Leaving the building or school grounds at any time during the school day without authorization is not permitted. Refer to the Student Conduct Code and to the Automatic Consequences.

**Students who leave for appointments or because of illness must receive approval prior to leaving the building from an Administrative Office or the Attendance Office.**

## **LOCKERS:**

On the first day of school, each student is assigned a locker, as long as those items do not threaten the individual's health or safety, or the health, safety, and rights of others in the building. This locker is provided for books, backpacks, outerwear/coats, and supplies. Students must use only lockers that have been assigned to them. Students are to make sure that lockers are properly locked at all times. Lockers are provided as a convenience for students. Each student shall be held responsible for the condition of his or her locker. The school is not responsible for anything taken from lockers. The lockers remain the property of the Crestwood Local Schools. Students shall not expect total privacy. Lockers are for student use, but lockers are not meant to be secure from school officials. School officials may search belongings or lockers.

Lockers should be kept clean and in good order at all times:

- nothing on outside of locker
- no permanent marking inside of the locker
- the student will be responsible for removing any decorations or objects, i.e., shelves, pictures, at the close of the school year
- offensive materials are not permitted
- no contact paper

**LOCKERS ARE TO BE KEPT LOCKED!** No money or any other valuables (ring, watch, etc.) should be left in any locker. Do not give your combination to other students. **Sharing a locker, unless assigned by the administration, is strongly discouraged.** Lockers are the property of the Board of Education. The lockers, and the contents thereof, are subject to random searches at any time without regard to any reasonable suspicion. Locker cleanout and inspection will be scheduled at the end of each semester.

## **LOITERING:**

Loitering on private or public property adjacent to school property or on school property before, during or after school is prohibited and disciplinary action will follow. This includes being in the hall when class is in session.

## **LOST AND FOUND:**

If you find an article, take it to the Lost & Found located in the Main Office. If you have lost an article, including a textbook, inquire at the Guidance Office about it.

## **LOST OR LATE BOOKS:**

1. Students who return books after their due dates will incur fines at a rate of 10 cents per book each calendar day. If the book is returned, the maximum fine incurred will be \$15.00.
2. Students who lose books will be charged a minimum of \$20.00 per book (fines will increase if the replacement cost exceeds \$20.00). These fees/fines will be added to the student's fee account. Report cards will be withheld due to unpaid fees.

## **MAKE-UP WORK:**

The usual number of days allowed for completion of make-up work is equivalent to the number of days of absence. An extension of time may be granted by the teacher or an administrator for lengthy absences and other extenuating circumstances. The make-up time may not be shortened. If an absence is unauthorized, make-up work will be given, but a zero will be credited for the work. **It is the responsibility of the student to arrange make-up work with the teacher.**

When a student is going to be out of school for three or more days and is able to do work, call the Attendance Office for assignments. Please allow 24 hours for teachers to prepare the assignments.

In-School Suspensions are authorized absences and students will earn credit for work completed.

Out-of-School Suspensions are authorized absences and with the exception of major tests and projects (for example: unit tests and projects), the student will be given the assignments; however, the student will not earn credit for the work.

Study hall students will be allowed, first come first serve, to capacity limits. **All students must sign in.** Attendance from these lists will be reported back to the Attendance Office and study halls. All students using the Media Center during lunch periods (4-8) must have a pass from an academic teacher. If students are not reading/working constructively, they will return to study hall/lunch.

The Electronic Classroom is used primarily by classes. If extra computers are available in the last row, please ask the teacher's permission if you want to use them.

#### **MEDICATIONS:**

If medication (prescription or non-prescription) is needed during school-hours, students are to obtain a release form from the school nurse. This form must be completed by the Parent/guardian and physician and returned along with the medication. We are not permitted to dispense Tylenol, Tums, or other over-the-counter medications without written orders of a doctor and a parent. All medications must be left in the Guidance Office. Students are not permitted to possess any medication during school hours. Medications in the possession of students will be called contraband and a disciplinary consequence will be assigned. Students may carry their own prescription asthma inhalers and Epi-pens.

#### **MILITARY TESTING/PROCESSING:**

Students who must have military testing and/or processing done before the end of the school year may be excused up to 2 days (except the last 2 weeks of school or during special state testing times). All requests for excused absences for military testing must be made through the Guidance Office.

A military processing form must be completed and submitted at least one day in advance of the anticipated absence, or the absence will not be excused.

#### **MISSING OR ABSENT CHILDREN:**

The parent shall be notified within a reasonable period of time after the determination that the student is absent from school, which time will not be more than two full school days from the date of the student absence.

#### **NETWORK & INTERNET ACCEPTABLE USE POLICY:**

Advances in telecommunications and other related technologies have fundamentally altered the ways in which information is accessed, communicated, and transferred in our society. Such changes are driving the need for educators to adapt their means and methods of instruction, and the way they approach student learning, to harness and utilize the vast, diverse, and unique resources available on the Internet. The Board of Education is pleased to provide Internet services to its students. The District's Internet system has a limited educational purpose. The District's Internet system has not been established as a public access service or a public forum. The Board has the right to place restrictions on its use to assure that use of the District's Internet system is in accord with its limited educational purpose. Student use of the District's computers, network and Internet services ("Network") will be governed by this policy and the related administrative guidelines, and the Student Code of Conduct. The due process rights of all users will be respected in the event there is a suspicion of inappropriate use of the Network. Users have no right or expectation to privacy when using the Network (including, but not limited to, privacy in the content of their personal files, e-mails, and records of their online activity while on the Network).

The Board encourages students to utilize the Internet in order to promote educational excellence in our schools by providing them with the opportunity to develop the resource sharing, innovation, and communication skills and tools that are essential to both life and work. The instructional use of the Internet will be guided by the Board's policy on instructional materials.

The Internet is a global information and communication network that provides an incredible opportunity to bring previously unimaginable education and information resources to our students. The Internet connects computers and users in the District with computers and users worldwide. Through the Internet, students and staff can access up-to-date, highly relevant information that will enhance their learning and the education process. Further, the Internet provides students and staff with the opportunity to communicate with other people from throughout the world. Access to such an incredible quantity of information and resources brings with it, however, certain unique challenges and responsibilities.

First, and foremost, the Board may not be able to technologically limit access through the Board's Internet connection, to only those services and resources that have been authorized for the purpose of instruction, study and research related to the curriculum. Unlike in the past when educators and community members had the opportunity to review and screen materials to assess their appropriateness for supporting and enriching the curriculum according to adopted guidelines and reasonable selection criteria (taking into account the varied instructional needs, learning styles, abilities, and developmental levels of the students

who would be exposed to them), access to the Internet, because it serves as a gateway to any publicly available file server in the world, will open classrooms and students to electronic information resources that have not been screened by educators for use by students of various ages.

Pursuant to Federal law, the Board has implemented technology protection measures, which protect against (e.g. filter or block) access to visual displays/depictions/materials that are obscene, constitute child pornography, and/or are harmful to minors, as defined by the Children's Internet Protection Act. At the discretion of the Board or the Superintendent, the technology protection measures may be configured to protect against access to other material considered inappropriate for students to access. The Board also utilizes software and/or hardware to monitor online activity of students to restrict access to child pornography and other material that is obscene, objectionable, inappropriate and/or harmful to minors. The technology protection measures may not be disabled at any time that students may be using the Network, if such disabling will cease to protect against access to materials that are prohibited under the Children's Internet Protection Act. Any student who attempts to disable the technology protection measures will be subject to discipline.

The Superintendent or Technology Coordinator may temporarily or permanently unblock access to sites containing appropriate material. If access to such sites has been inappropriately blocked by the technology protection measures. The determination of whether material is appropriate or inappropriate shall be based on the content of the material and the intended use of the material, not on the protection actions of the technology protection measures.

Parents are advised that a determined user may be able to gain access to services and/or resources on the Internet that the Board has not authorized for educational purposes. In fact, it is impossible to guarantee students will not gain access through the Internet to information and communications that they and/or their parents may find inappropriate, offensive, objectionable or controversial. Parents assume risks by consenting to allow their child to participate in the use of the Internet. Parents of minors are responsible for setting and conveying the standards that their children should follow when using the Internet. The Board supports and respects each family's right to decide whether to apply for independent student access to the Internet.

The Superintendent is directed to prepare guidelines that address students' safety and security while using e-mail, chat rooms, instant messaging and other forms of direct electronic communications, and prohibit disclosure of personal identification information of minors and unauthorized access (e.g., "hacking") and other unlawful activities by minors online.

Building principals are responsible for providing training so that Internet users under their supervision are knowledgeable about this policy and its accompanying guidelines. The Board expects that staff members will provide guidance and instruction to students in the appropriate use of the Internet. Such training shall include, but not be limited to, education concerning appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms and cyberbullying awareness and response. All Internet users (and their parents if they are minors) are required to sign a written agreement to abide by the terms and conditions of this policy and its accompanying guidelines.

Students and staff members are responsible for good behavior on the Board's computers/network and the Internet just as they are in classrooms, school hallways, and other school premises and school sponsored events. Communications on the Internet are often public in nature. General school rules for behavior and communication apply. The Board does not sanction any use of the Internet that is not authorized by or conducted strictly in compliance with this policy and its accompanying guidelines. Users who disregard this policy and its accompanying guidelines may have their use privileges suspended or revoked, and disciplinary action taken against them. Users granted access to the Internet through the Board's computers assume personal responsibility and liability, both civil and criminal, for uses of the Internet not authorized by this Board policy and its accompanying guidelines.

The Board designates the Superintendent and building principal(s) as those responsible for initiating, implementing, and enforcing this policy and its accompanying guidelines as they apply to students' use of the Network.

- 1) Seniors must have a study hall scheduled 10th period to apply for the Early Release Option. A student must be in at least the third year of high school, earned a minimum of **eleven credits**, passed all sections of the Ohio Graduation tests, a G.P.A. of 2.0, and be in good standing as a student in regard to tardies, absences, behavior, inclusive.   - Students with excessive absences/tardies may lose their privilege.

  - Loitering or trespassing during early release may result in loss of privilege.
  - Failure to display a validated student I.D. card when asked by a staff member during the day or at school activities may result in loss of this privilege.
  - Students granted Early Release Option may not return to the building for transportation home by either the bus system or other students.

## **OUT-OF-SCHOOL SUSPENSION (O.S.S.):**

Out-of-School Suspensions constitute a complete removal from the educational environment for a period of time not to exceed 10 consecutive school days (out-of-school suspensions can carry over from one school year to the next). Students who are suspended Out-of-School are not permitted on any school grounds during their suspension. Students will only be permitted to make up tests and major projects missed as a result of suspension; the number of days permitted for make up will be equal to the number of days suspended (to a maximum of three days permitted for make up time after a suspension). It is the student's responsibility to make arrangements to take any and all make-up tests. The attendance office will not make arrangements to gather work for students who are suspended out-of-school.

## **PEPPER GAS:**

Pepper gas, mace, stink bombs and other similar substances are regarded as disruptive devices. Students who display and/or set off those substances in school or at any school function will be subject to suspension and/or possible expulsion.

## **POLICE INVOLVEMENT:**

Police will be notified in the event of the following: 1) possession of controlled substances/illegal drugs/paraphernalia 2) possession of weapons 3) theft of property over \$50.00 4) civil disobedience 5) assault/fighting.

## **POST SECONDARY OPTION PROGRAM:**

Post-Secondary Enrollment Option allows high school students to enroll in nonsectarian courses in approved post high school institutions, full-time or part-time, while still in high school. Each interested student must **first** be accepted by the college or post-secondary school. You may receive further information from the Guidance Office. Additional guidelines are in the Course Registration Guide.

## **PROGRESSIVE DISCIPLINE:**

Discipline at Crestwood High School is progressive. Regardless of the stated consequences for rule violations, students who repeatedly violate the code of conduct will face increasingly severe consequences leading from detentions to suspensions to expulsion.

## **PROHIBITION FROM EXTRA-CURRICULAR ACTIVITIES (5610.05):**

The following is a general statement of what is expected of students at Crestwood. Any behavior on school property or at a school function (including extracurricular activities, see board policy 5610.05) or that which affects other students, staff, or the school is under this code.

## **PSYCHOLOGICAL AND THERAPIST AID:**

A school psychologist and speech therapist are available to help students. Referral should be made through the guidance office.

## **PUBLIC/COMMUNITY SERVICE:**

School officials reserve the right to institute public/community service as an alternative disciplinary consequence. Students and parents will be notified if such alternative suspensions are instituted and are available to them. Administrators may design and assign (with parental notification) alternative forms of consequences, such as community service, Saturday detention, in-school service, etc.

## **PUBLIC DISPLAY OF AFFECTION:**

Is not permitted. Students are expected to respect one another and those around them.

## **SCHEDULE CHANGES:**

### **Operating Philosophy**

A significant amount of time is spent each February in assisting each student to identify a proper listing of courses for the following school year. Students are then permitted to change courses through the end of that current school year. Students may make adjustments prior to the start of the third week of school for one of the following reasons:

1. Computer error on the schedule.
2. Study hall/or some subjects not balanced each semester.
3. Add a course during a study hall.
4. Course on schedule taken in summer school.
5. Course conflict in schedule.

After this period of time, a WF (withdraw fail) will reflect on a student's grade card. Students may not drop below a class schedule of 5 courses per semester.

### **Steps to follow for handling misplacements:**

- Step 1: Misplacement can be initiated by parent, student, or teacher/counselor.
- Step 2: Teacher/Parent informs counselor to make the necessary changes.
- Step 3: Student brings slip to guidance – guidance counselor informs teacher/student of new adjusted schedule.
- Step 4: Student is responsible for returning books/materials to appropriate teacher.

**If a student or parent questions a placement, contact with the appropriate school counselor will initiate a review. Administrators and/or school counselors may recommend moves because of misplacements. If a student does not meet the prerequisite for the course, the teacher should notify the appropriate school counselor.**

## SCHOOL CLOSING:

In the event of severe weather or other calamity necessitating the closing of school, school closings will be announced on local radio stations. Students are to listen to WNIR, WGAR, or WMMMS.

## SECTION 504 PROCEDURAL SAFEGUARDS & DUE PROCESS PROCEDURES

Pursuant to Section 504 of the Rehabilitation Act of 1973 and its implementing regulations ("Section 504"), no otherwise qualified individual with a disability shall, solely by reason of his/her disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. The Board of Education does not discriminate in admission or access to, participation in, or treatment, or employment in, its programs or activities. As such, the Board's policies and practices will not discriminate against employees and students with disabilities, will provide equal opportunity for employment, and will make accessible to qualified individuals with disabilities its facilities, programs, and activities. The principal will pay & deliver five free pizzas to the 1st person to bring this to the attention of the building administration. No discrimination will be knowingly permitted against any individual with a disability on the sole basis of that disability in any of the programs, activities, policies, and/or practices in the District. As used in this policy and the implementing administrative guidelines, "an individual with a disability" means a person who has, has a record of, or is regarded as having, a physical or mental impairment that substantially limits one or more major life activities. Major life activities are functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working. For more information regarding protection under Section 504 please contact the guidance office or Brooke Pillets, Director of Pupil Services, 330.274.2246. See Board Policy 2260.01.

## SMOKING/TOBACCO:

Smoking is not permitted anywhere on the school grounds. As a result of Board policy, Crestwood Local Schools are a smoke free environment.

## SOCIAL CONSEQUENCES:

Students may be denied participation in school activities as part of disciplinary consequences.

## SPORTSMANSHIP:

Good sportsmanship is expected of all Crestwood High School students. Crestwood High School encourages students to support our teams with enthusiasm and to be courteous to our opponents and their fans. Remember, they are our guests. The sportsmanship displayed by CHS has a great deal to do with the way others feel toward our school. Failure to display good sportsmanship may result in disciplinary action.

## STUDENT ACTIVITIES:

Participation in athletic or extra-curricular activities can enhance the experiences you have in school. Students interested in participating in extra-curricular activities should contact the main office or their class advisor for help and direction. Below is a list of activities in which students can be involved during their high school years.

## STUDENT BEHAVIOR:

The exercise of self-control, self discipline, and self-direction are essential to positive school behavior and success in the future. The school has an obligation to observe and respect the rights of individual students and the student body as a whole, and attempt to maintain a safe environment for all. As with any organization, cooperation and the observation of the rights of others are essential if the goals of the organization are to be accomplished. To this end, **each student is responsible for his/her own behavior and must respect the rights of others.**

See **Student Conduct Code** in this handbook for specific guidelines.

## **STUDENT COUNCIL:**

Student Council is for ANYONE who wants a chance to make a difference.

Leadership workshops including Nationals and States are offered all year. The student body is governed by the Student Council. Student Council is the place where ideas can become real if we put the work behind it! **Students who are not elected representatives may serve as auxiliary members by attending meetings during the school year.**

## **STUDENTS ENTERING BUILDING:**

Students who arrive between 7:40 a.m. and 8:00 a.m. will report to the administrator at the main entrance. Students who arrive after 8:00 a.m. are expected to report to the Attendance Office & receive their admit to class.

## **STUDENT SUPPORT SERVICES:**

Crestwood High School, in conjunction with local outside agencies, may offer individual and/or group counseling for students. As parent, guardian, or custodian, you have the right to appeal the suspension to the Crestwood Board of Education's designee, Superintendent, Mr. Joe Iacano, at the Crestwood Board Office (274-2101). You also have the right to be represented in all proceedings, to be granted a hearing before the board's designee in order to be heard against the suspension and to request that the hearing be held in executive session.

## **TARDINESS:**

Students are expected to be in class on time each and every day. A student may be considered tardy to class if he/she is not in their assigned classroom at the sound of the bell. ### **WITHDRAW FAIL (WF):**

Students aged 16 and over are not required to have a work permit for a summer job. Work permits may be obtained in the principal's office. Twenty-four hour's time is required to process the forms.

## **RIGHTS AND RESPONSIBILITIES**

A student's main goal in school is to get an education. It is the responsibility of the school to provide that education and to prevent anyone from interfering with the achievement of that goal. Most discipline problems in school center around students disrupting others.

Teachers will handle disciplinary offenses through a variety of methods. These include, but are not limited to, conferences with students, contacting parents/guardians, assigning detentions, referral to the office, or any other suitable method they deem appropriate to the situation.

In this handbook are the rules and regulations designed to maintain order and discipline necessary for effective learning and to convey the school's expectations. Students may act, speak, or behave as responsible citizens within a large scope of options. Pupils have a right to reasonable treatment from the school and its employees. The school, in turn, has a right to expect reasonable behavior from students. Freedom carries with it responsibilities for all concerned.

## **STUDENT RESPONSIBILITIES**

Good order and discipline will be achieved best through SELF-DISCIPLINE. Students should strive to:

1. Attend school each day to complete the course of study developed by the student and his/her parents/guardians.
2. Report for all scheduled classes promptly with assigned lessons and required materials.
3. Exhibit courtesy at all times to members of the school community.
4. Achieve all that is possible both academically and socially.
5. Treat school property with respect and care as well as the personal property of others. Assist in maintaining the cleanliness of our community's building.
6. Present themselves according to the appearance code of the system.
7. Maintain high standards of thought, speech, and actions.
8. Respect the authority of all employees of the Crestwood Local School District.
9. Use only those facilities and areas designated for student use under teacher supervision.
10. Engage only in activities permitted on school property.

Whenever self-discipline fails, it is necessary for adult staff members to enforce good order and discipline.

Crestwood High School and the Board of Education have adopted policies regarding violations of the Code of Conduct which they deem violent, disruptive, inappropriate and unacceptable. This code is intended to lessen or eliminate behavioral problems and protect students and staff members from frustrations, interruptions, and loss of time as a result of misconduct. Students shall be given due process before a disciplinary action is taken. It is important to know that the code applies to all students regardless of age and is in effect throughout the school day and includes school events/activities on or off school property. Board policies are available in the library. Students are encouraged to become familiar with them. It is the responsibility of each student to observe the recommendations for and parameters of student expectations as outlined in this student handbook.

The items in this Code apply to all students when under the authority of school personnel; on school-owned vehicles, during a school activity; whether on property-owned, rented, or maintained by another party. Maplewood Career Center is an extension of our school program; therefore, students who elect to attend the career center are subject to disciplinary action based upon the Student Code of Conduct of either Crestwood High School and/or Maplewood Career Center. Consequently, conduct and/or involvement in any activity that may or does result in disciplinary action by one school may be grounds for disciplinary action by the other school. The items in this Code also apply to misconduct, regardless of where it occurs, that is directed against a district employee or official, or the property of such employee or official.

# CRESTWOOD LOCAL SCHOOL DISTRICT STUDENT CODE OF CONDUCT

This Code shall serve as a guide to all Crestwood Local School District students. - Step 6: Recommendation to the Superintendent for an expulsion hearing.

Administration reserves the right to determine which step an offense is handled at. For the protection of students and staff, police and/or child services may be notified of any violation of the student code of conduct.

## AUTOMATIC CONSEQUENCES:

Students who violate any section of the Student Conduct Code can be disciplined according to the nature and seriousness of the violation. Possible discipline for violation can range from a warning to a recommendation for expulsion from school.

The following are nine areas of violations that produce automatic consequences:

### I. The consequences for a violation of Student Conduct Code offense # 10: Drugs & Alcohol (with the exception of buying, selling, etc., under II below) shall be as follows:

- A. **First Offense** - At a meeting of the parent(s) or guardian(s), student, and school administrator, one of the following options shall be chosen by the student, parent, and administrator:

**OPTION #1** The student shall be suspended for not more than ten (10) days out of school suspension.

**OPTION #2** Within ten (10) days from the date of the offense, the student and his or her parent(s) or guardian(s) must consent to a school- approved alcohol and/or drug assessment, AND must comply with **ALL** recommendations from the assessing authority.

In addition, all the following must be completed:

- a. The student agrees to serve three days out of school suspension, AND:
- b. The student agrees to participate in a school approved alcohol and/or drug assessment program, and follow all recommendations AND:
- c. The student agrees to follow the recommendations of the school approved alcohol and/or drug assessment.

NOTE: If the student and parent/guardian do not complete all items under #2 above, then #1 will be enforced. Also time lines for item 2a., 2b. and 2c. shall be established with the student and parent/guardian by the administrator. Depending on the circumstances of the violation, the police may be contacted, and the matter may be referred to them for disposition.

- B. **Second Offense - Within a Twenty-four month period** of the First Offense: The student shall be suspended for not more than ten (10) days out of school with recommendation for expulsion.

The principal, for any offense under this provision, shall have the right to refer the student to the Portage County Juvenile authorities for prosecution of any offense that may be a crime under the Ohio law.

### II. Sale, possession for sale, or buying alcohol and/or chemicals:

The automatic consequence for these offenses is a ten-day out-of-school suspension, plus a court referral and recommendation for expulsion. In the event a situation arises which is not clearly defined in the above statements, administration will make a determination based on the intent of the Crestwood Local Schools' philosophy which states that it is not appropriate for students to use alcohol and/or chemicals.

### III. Possession of Tobacco and/or look alike products, including smoking of any substance:

1. **First Offense** - Ten (10) Day Out-of-School Suspension from school.

- If the student and parent choose for the student to participate in a smoking cessation program, the student will be assigned to three days of out-of-school suspension in lieu of the ten-day out-of-school suspension. Failure to complete the cessation program will result in the reinstatement of the ten-day out-of- school suspension.

2. **Subsequent Offenses** – Ten (10) Day Out-of-School Suspension and a recommendation for expulsion.

#### IV. Fighting in school, on school property, or at a school activity:

The consequence for fighting ranges from three to ten days of out-of-school suspension. Consequences for repeated violations may be more severe and may result in possible recommendation for expulsion.

4. **Fourth Offense** - This will result in ten days out-of-school suspension with recommendation for expulsion.

#### VI. Driving unauthorized students off-campus:

2. **Second Offense** - This will result in three days of suspension plus loss of driving privileges for the remainder of the school year.
3. **Third Offense** - This will result in five days of suspension, loss of driving privileges for the remainder of the current school year, **and** loss of driving privileges for the **next school year**.

#### VII. Possession of a weapon:

A weapon includes conventional objects like guns, pellet guns, knives, or club-type implements. It may also include any toy that is presented as a real weapon or reacted to as a real weapon or an object converted from its original use to an object used to threaten or injure another. This includes, but is not limited to, padlocks, pens, pencils, chains, jewelry, and so on. Criminal charges may be filed for the violation. Possession of a weapon will subject a student to expulsion for one year and possible permanent exclusion. Under Federal Law, a firearm is defined as any weapon, including a starter gun, which will, or is designed to, or may readily be converted to, expel a projectile by the action of an explosive, the frame or receiver of any such weapon, any firearm muffler or silencer, or any destructive device. A destructive device includes, but is not limited to, any explosive, incendiary, or poison gas, bomb, grenade, rocket having a propellant charge or more than four (4) ounces, missile having an explosive or incendiary charge of more than one-quarter ounce, mine, or other similar device. A knife is defined as any cutting instrument consisting of at least one sharp blade. Possession of any such weapon requires the Superintendent to expel a student for a calendar year. Weapons violations will result in a suspension with a recommendation for expulsion to follow.

#### VIII. Wrongful discharge of the alarm system:

This will result in police notification plus five days of out-of-school suspension.

#### IX. Releasing or discharging disruptive devices: (e.g. stink/smoke bombs, mace, pepper gas, etc.)

The CASB has helped with improvements made to the Field House, providing funds for the building of the Tennis Courts and the All Weather Track. The need is on going and we continue to raise funds in our concession stand, reverse raffle, membership drive, donations and sale of advertising in our program and scoreboard. All of these funds are spent on the Crestwood School Districts sports program for our athletes.

You can help enrich our athletics by becoming a member of the CASB and giving us your thoughts at our monthly meetings held the 2nd Monday of each month in the High School Cafeteria at 7 pm. Your involvement and input is important to your child. Please join us!

## **PHILOSOPHY**

The coaches shall always encourage each individual athlete to strive for excellence. In addition, all coaches will recognize that the general welfare and development of the total person must be given constant attention. Members of the school athletic community will encourage athletes to participate in a variety of athletic endeavors. It is a recognized duty of the school administration and coaching staff to encourage as many eligible young people as possible to participate in the various sports offered in the Crestwood Schools. While recognizing the value of a winning tradition, the athletic staff will encourage maximum participation and devotion to fundamentals below the varsity level of competition.

The general guiding philosophy of most high school athletic departments is to develop a winning tradition throughout the entire program. This basic principle remains a vital foundation of Crestwood High School Athletic Department and program. In addition to the winning of contests, the athletic atmosphere must contribute to the development of good sportsmanship on the part of athletic participants, members of the general student body, the faculty, and residents of the school community.

Participation in high school athletics and extra-curricular activities is a unique and important learning experience. This participation is a privilege for our Crestwood students, it is not a right. In this way extra-curricular activities are separate from the school curriculum.

In conclusion, actions, policies or programs will not be developed that will be counter to the spirit or written policies of the Portage Trail Conference or Ohio High School Athletic Association.

12. Student-athletes charged with engaging in criminal activity or violations of civil law will be removed from athletic participation. The high school administration will determine if/when this student-athlete may return to athletic participation.

## HAZING

Hazing shall be defined for the purposes of this policy as performing any act or coercing another, including the victim, to perform any act of initiation into any class, team or organization that causes or creates a substantial risk of causing mental or physical harm. Permission, consent or assumption of risk by an individual subjected to hazing shall not lessen the prohibitions contained in this policy.

**Consequences:** Administrative action and automatic dismissal from the team.

## USE OF STEROIDS OR OTHER PERFORMANCE ENHANCING DRUGS

Student-athletes are prohibited from possessing, selling or using anabolic steroids without a valid prescription. A mandatory warning pursuant to Ohio Revised Code 3313.752 regarding the deleterious effects of anabolic steroids and that the possession, sale or use of anabolic steroids without a prescription is a crime is conspicuously posted in each locker rooms of District's Middle and High Schools.

**Consequences:** Administrative action and automatic dismissal from the team.

## LEVELS OF PLAY

In most sports Crestwood will field teams at the Varsity, Junior Varsity, and Freshman levels. Provided there is sufficient participation.

**Freshman** teams are for ninth grade student-athletes. Ninth grade student-athletes can, however, play above the freshman level if their coaches feel this is warranted. Freshman cheerleaders generally only cheer at the freshman level. The focus of freshman level teams is teaching fundamentals of the game and developing players. Efforts will always be made at this level to provide playing time for as many players as possible. Winning contests is a third priority behind teaching and providing opportunities for players to develop.

**The Junior Varsity** team can be made up of 9th, 10th, and 11th grade student-athletes. Seniors generally do not (other than an emergency fill-in situations, rehabilitation assignments, and/or other instances coaches deem necessary) play at the J.V. level. The focus at the junior varsity level is to prepare players for the varsity level. Teaching fundamentals and developing skills are stressed at this level. Winning contests is a second priority behind teaching and developing players.

**The Varsity** level is made up of the student-athletes that provide Crestwood with the best chance to win contests. These decisions are made by our coaching staffs, as they are at all levels of play. Winning games is the foremost consideration at the Varsity level. Teaching and developing players continues to be stressed.

## **ASSUMED RISKS**

Each year in the U.S., over four million students participate in interscholastic athletic activities. Sports participation may provide the following advantages:

- An increase in agility, coordination, speed, flexibility, and endurance
- Development of sport-specific skills
- Instruction in discipline
- Teamwork, working with others
- Mental and physical challenges

Please recognize that there are risks involved in participating in athletic activities. Many injuries may be short term such as sprains, bruises, cuts, etc. and recovery is quick. Some injuries may be long term and could result in permanent disability. Contact activities are a much greater risk where injuries to the head, neck and spinal cord could result in paralysis or death. Participants must wear the proper equipment, maintain physical condition, utilize proper sports techniques, and exercise good judgment at all times.

### **WARNING: ATHLETICS MAY BE DANGEROUS!**

I have read the above statement and understand the contents, and agree to allow my son(s)-daughter(s) participation.

## **PARENT/COACH COMMUNICATION**

### **Appropriate Concerns to Discuss With Coaches:**

1. Treatment of your child, mentally and physically.
2. Ways to help your child improve.
3. Concerns about your child's behavior.

### **Issues Not Appropriate to Discuss With Coaches:**

1. Playing time.
2. Team strategy.
3. Play calling.
4. Other student athletes.

### **If You Have A Concern To Discuss With A Coach:**

1. Call to set up an appointment (330-274-2214)
2. If the coach cannot be reached, the Athletic Director (ext. 113) will schedule the appointment.
3. Do not attempt to confront a coach before or after a contest. These can be emotional times for both the parent and the coach. Meetings of this nature do not promote resolutions.
4. If a meeting with the coach did not provide a satisfactory resolution, call and set up a meeting with the Athletic Director and the Principal to discuss the situation.

## **TRANSPORTATION TO GAMES**

Student athletes are required to ride the team bus to away contests. No exceptions.

Athletes transported to events on a Crestwood School District bus must return to school following the event on a Crestwood School District bus. The only alternative is if a parent transports his/her own son/daughter home from an event in an emergency situation. In these emergency situations the parent must sign an **Alternative Transportation Form** provided by the coach.

## **TRANSPORTATION CODE OF CONDUCT**

The bus driver is in complete charge of his/her bus operation and conduct. Failure to comply with bus rules and regulations will result in disciplinary action.

## **ELIGIBILITY**

Incoming 9th graders enrolled at Crestwood High School must pass 75% of all courses taken during the final grading period of their eighth grade year to be eligible.

All 9 – 12 grade students must be currently enrolled and must have been enrolled in school in the immediately preceding grading period. During the preceding grading period the student must have received a minimum of a 1.5 G.P.A. (Crestwood Local requirement) and passed a minimum of five (5) one credit courses or the equivalent (OHSAA requirement). These eligibility requirements apply to all athletic teams/squads offered at Crestwood High School.

## **SCHOOL CLOSING EVENT-PRACTICE POLICY**

1. When school is canceled due to adverse road conditions no events/contests/games will be played at Crestwood High School on that day. School cancellations due to extreme cold morning temperatures will not cause cancellation of afternoon/evening events, provided that temperatures warm to safe levels during the day and a collaborative decision between the Superintendent, Transportation Director, Principal, Athletic Director, and Head Coach is reached.
2. Away contests may be played if road conditions improve and a collaborative decision between the Superintendent, Transportation Director, Principal, Athletic Director, and Head Coach is reached.
3. All 9th and Junior Varsity practices are canceled when school is not in session due to adverse weather conditions. All off-season conditioning and/or training sessions are cancelled. Voluntary varsity practices may be held after 1:00 p.m. provided road conditions improve and a collaborative decision between the Superintendent, Transportation Director, Principal, Athletic Director, and Head Coach is reached.
4. Weekend and Holiday events and practices will be decided day-to-day by the Superintendent, Transportation Director, Principal, Athletic Director, and Head Coach.

## **RESIDENCE & TRANSFERS**

Any student who enrolls at Crestwood after the start of their freshman year must complete an affidavit of bona fide legal change of residence with the OHSAA.

Please visit [OHSAA.org](http://OHSAA.org) to view all rules and regulations concerning residence and transfers.

## **EQUIPMENT AND UNIFORMS**

Athletic department equipment and uniforms that are issued to the athlete, are the sole responsibility of that athlete; if the equipment and/or uniform is lost or damaged, replacement or repair will be made at the athlete's expense. All equipment and/or uniforms must be returned to the coach at the conclusion of each sport/activity season. Uniforms are not to be used as personal apparel and should only be used during games. The exception to this is the wearing of jerseys on game days (with permission from the coach). Any fees owed for athletic purposes will be treated as a school fee.

## **CRESTWOOD SPORTS SCHEDULES AND DIRECTIONS**

All current (updated constantly) schedules are available at the Crestwood High School website. Directions to area schools are available also.

## **ATHLETIC AWARDS POLICY**

All students must be in good standing to receive an award.

All athletes/participants must attend the awards program for their activity/sport or forfeit the award, unless extenuating circumstances occur.

Choosing award winners is the sole responsibility of the head coach (and his/her coaching staff).

Team managers shall be granted an award upon recommendation by the head coach.

End of season Award Banquets are designed to be special occasions. Proper dress is required. Look professional-no jeans at formal banquets. Shirts and ties for boys and skirts/pants suits for girls are recommended. Failure to follow these directions may result in removal from banquet. Any outdoor picnic ceremony will be exempt from this dress code.

## **DUAL SPORTS**

Students who participate in two sports during the same season (excluding cheerleading) must complete a dual sports participation form prior to the fifth official day of practice.

**No refunds of PTP fees will be issued if student-athlete leaves his/her team. Injury situations will be evaluated on case by case basis.**

## **UNIFORMS**

Wearing a Crestwood uniform and representing your school in an athletic event is an honor that needs to be taken very seriously. Jerseys are to be worn during contests and kept on following games. As long as you are on the field, court, or in the playing area your jersey must be worn. Failure to do so may result in loss of playing time.

## **ATTENDANCE POLICY FOR DAY OF EVENTS**

Students who are participating in or attending any extra-curricular activities/athletics must be in class for at least 4.0 hours on the day of the activity. Field trips, college visits, observance of religious holidays, and a death in the family are exceptions to the rule, but previous notice must be given by a parent/guardian to the attendance office or athletic director.

## **EARLY DISMISSAL TO PARTICIPATE IN CONTESTS**

To the extent possible, contests will be scheduled so that it will not be necessary for students to miss school in order to participate. However, when conditions exist that make this necessary, the following procedure will be adhered to:

1. The student must confirm with his/her coach/advisor their name is on the coach/advisor list that is being turned in to the Attendance Office.
